Dylan's Candy Bar™ Barbie® Doll

GOLD LABEL COLLECTION

Celebrate the sweet life with the first ever Dylan's Candy Bar™ Barbie® Doll. Created in the likeness of Dylan Lauren, CEO of one of the world's largest candy stores Dylan's Candy Bar, and the daughter of fashion icons Ralph and Ricky Lauren, this Barbie® combines sugar and spice making her the perfect addition for the Barbie® collector or the candy connoisseur.

Inspired by the interior of Dylan's Candy Bar, this Barbie® looks doll-lightful 'wrapped' in a colorful dress featuring lollipop inspired swirls, a candy necklace and the signature Dylan's Candy Bar rainbow pop.

This sweet doll will be available August 2010 on BarbieCollector.com, dylanscandybar.com and at Dylan's Candy Bar locations nationwide.

“ I was a fan of Barbie from an early age. Barbie is an American icon and to have my own doll is something I never even dreamed of. I examined every detail of the doll to ensure it reflected the colors, playfulness and energy of candy. ”

— Dylan Lauren,
CEO of Dylan's Candy Bar
